

Directions to Broward County Office of Environmental Services  
2555 West Copans Road, Pompano Beach

The meeting is in the training room located in the building behind the building that fronts on Copans Road.

From I-95: Exit at the Copans Road interchange. Go west on Copans Road through the Powerline Road intersection and pass by the Broward County waste water treatment facility. The OES offices are on the north side of Copans road approximately 1.5 miles west of I-95.

From Turnpike: Exit at the Martin Luther King Boulevard/Coconut Creek Parkway/Hammondville Road interchange. Turn east (left) at the first intersection onto MLK Boulevard. Almost immediately turn north (left) at the first "T" intersection onto Blount Road. Travel approximately 1 mile north on Blount Road to Copans Road. Turn east (right) onto Copans Road. The driveway into the OES facility is on the north side of Copans Road approximately 0.3 mile east of Blount Road.
